

CHESTERFIELD COUNTY ANNOUNCES WINNERS OF INDUSTRIAL PRETREATMENT AWARDS FOR 2003

From left (back row) Kevin Holloway, Virginia Water Systems Inc.; Buddy Parker, ALSCO Metals Corp.; Keith Hitch, Fiorucci Foods Corp.; Phil McDermott, Quantum Silicones; (front row) Sonja Edkin, Hon Co.; James A. Stewart, Filtrona Richmond Inc.; Adrienne Moore, Defense Supply Center Richmond; Todd Bartow, Reynolds Bellwood Printing Plant

The Chesterfield County Department of Utilities Pretreatment Program recently presented 17 awards to 14 local industries for their contributions to the environment this year.

For achieving exemplary compliance with all pretreatment requirements and for having received no violations or warnings during the year, the following industries were awarded the **Gold Award**:

Hill Phoenix

Reynolds Bellwood Printing Plant

Filtrona Richmond Inc.

AlSCO Metals Corp.

Rehrig International Inc.

Honeywell International Inc. – Tech. Center

Cole Vision Inc.

Shoosmith Brothers Truck Wash

Defense Supply Center Richmond

ABB Alstom Power Inc.

Virginia Water Systems Inc.

For achieving outstanding compliance with the pretreatment requirements and for having received only one warning during the year, the following industries were awarded the **Silver Award**:

The Hon Company

Quantum Silicones

Fiorucci Foods Corp. received the **Most Improved Industry Award** for significantly reducing the levels of pollutants in their waste stream and for multiple pretreatment operational improvements. **Rehrig International Inc.** received the **Exemplary Pollution Prevention Award** for improvements in the plating department resulting in reduced waste and for water conservation through the use of reverse osmosis units.

New this year, the **Platinum Award** recognizes those industries that have achieved exemplary compliance for five or more consecutive years. The following industries received this prestigious award:

Virginia Water Systems Inc. – 5 years

Hill Phoenix – 6 years
